In addition, all Owners shall keep and maintain their Lots and Dwelling Unit exteriors in a repaired, attractive, clean and habitable condition as determined by the Board in its reasonable judgement. In the event any Owner does not satisfy this standard, the Board and its agents or employees, may, after thirty (30) days' prior written notice to such Owner: 1) levy a fine, in an amount as determined by the Board, against said Owner for as long as the violation persists, and/or 2) enter such Lot to make such repairs or perform such maintenance as to bring such Lot and/or Dwelling Unit exterior into compliance with this Section. Any such fines and any cost incurred by the Association for repairs and maintenance shall be treated as Limited Assessments to such Owner.

Such entry shall be repaired by the Board out of Regular or Special Assessments (unless the emergency was caused by an Owner, his family members, invitees or licensees, in which case the cost shall be treated as a Limited Assessment and charged only to that Owner). In addition, if the repairs or maintenance were requested by an Owner, the costs thereof shall be treated as a Limited Assessment to such Owner.

**Section 10. Outbuildings.** All outbuildings shall be pre-approved in writing by the Architectural Committee and be constructed of quality building material, completely finished and painted on the outside and shall be of quality and character that will be in harmony with the other buildings on the Property.

**This landscaping must be completed prior to the issuance of an occupancy permit for the Dwelling Unit. This landscaping requirement shall be applicable to Declarant as well as any Owner. In the event any Owner violates the front yard landscaping time requirements contained herein, said Owner shall pay to the Association a fine of \$100/day for as long as the violation persists.** Any fine, or fines, shall be due and payable within thirty (30) days of receiving an invoice therefore.

**Section 18. Initial Back and Side Yard Landscaping.** Each Owner of a Lot originally purchased from Declarant shall complete his/her back and side yard landscaping within six (6) months from the closing date thereof. **Such landscaping shall be in accordance with the landscaping plan(s) approved by the Architectural Committee and must adequately address on-site drainage and erosion control.**

**In the event any Owner violates either of the back yard or side yard landscaping time requirements contained herein, said Owner shall pay to the Association a fine of \$100/day for as long as the violation persists.** Any fine, or fines, shall be due and payable within thirty (30) days of receiving an invoice therefore.

The vote for such Lot shall be exercised as they determine, but in no event shall more than one (1) vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Declarant and shall be entitled to ten (10) votes for each Lot owned. The Class B membership shall cease when, and if, Declarant has sold all Lots within the Property.

## ARTICLE VIII: ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. **Each Owner of any Lot by acceptance of a deed therefore is deemed to covenant and agree to pay to the Association all Assessments levied thereby. In addition, each Owner upon the purchase of a Lot shall pay reasonable start-up and/or transfer fee assessments for use by the Association.** These start-up and transfer fee assessments shall only be used by the Association for the operation of the Association and/or the performance of its duties and obligations contained herein. All Assessments, together with interest, costs, late fees and reasonable attorneys' fees, shall be a continuing lien upon the Lot against which each such Assessment is made. Each such Assessment, together with interest, costs, late fees and reasonable attorneys' fees, shall also be the personal obligation of the Person who was the Owner of such Lot at the time when the Assessment fell due. The personal obligation for delinquent Assessments shall not pass to his or her successors in title unless expressly assumed by them. **Declarant has no obligation to pay Assessments.**

**Notwithstanding any of the foregoing, the imposition, perfection and/or foreclosure of any Association lien must also comply with any and all requirements contained in the Idaho Code.**

Section 2. Purposes of Assessments. The Assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the Owners and occupants of the Property and for any construction, maintenance and operation of the Common Lots, as well as for the proper operation of the Association.

Section 3. Uniform Rate of Assessment. Regular and Special Assessments must be fixed at a uniform rate for all Lots.

Section 4. Date of Commencement of Annual Assessments; Due Dates. The Regular Assessments provided for herein shall commence as to all Lots on the first day of the month following the closing of the sale of a Lot from Declarant to an Owner. The first annual assessment shall be pro-rated according to the number of months remaining in the calendar year. Subsequently, the Board shall fix and notify all Owners in writing of the amount of the Regular Assessments against each Lot at least thirty (30) days in advance of each annual Regular Assessment period. The due dates shall be established by the Board, which may be annually, quarterly or monthly as the Board, in its sole discretion, shall determine. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the Assessments on a specific Lot have been paid. A properly executed certificate of the Association as to the status of Assessments on a Lot is binding upon the Association as of the date of its issuance.

Section 5. Effect of Nonpayment of Assessments; Remedies of the Association. Any Assessment not paid within thirty (30) days after the due date shall bear interest from that date at a rate equal to the lesser of twelve percent (12%) or the highest rate allowed by applicable law. Additionally, a late fee of \$50.00 shall be added to and charged on each Assessment which is not paid within this payment period. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the Lot. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Lots or abandonment of his or her Lot.

Section 6. Subordination of the Lien to Mortgages. The lien of the Assessments provided for herein shall be subordinate to the lien of any first Mortgage. Sale or transfer of any Lot shall not affect the Assessment lien. However, the sale or transfer of any Lot pursuant to foreclosure or any proceeding in lieu thereof, shall extinguish the lien of such Assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof.

(g) **The Board shall not incur any non-budgeted expenditure in excess of \$3,000.00 without the approval thereof by two-thirds (2/3) of each class of Members voting thereon at a meeting called for such purpose, except for an emergency threatening the security of any Improvement on the Property.**

Section 2. Easement. Section 3. Non-Waiver. The failure of the Board in any one or more instances to insist upon the strict performance of any of the terms or Restrictions of this Declaration, or of the Association's articles, bylaws or rules, or to exercise any right or option contained in such documents, or to serve any notice or to institute any action, shall not be construed as a waiver or a relinquishment for the future of such term or Restriction, but such term or Restriction shall remain in full force and effect. Failure by the Board to immediately enforce any such term or Restriction shall not be deemed a waiver of the right to do so thereafter, and no waiver by the Board of any provision hereof shall be deemed to have been made unless expressed in writing and signed for the Board. This Section also extends to the Declarant exercising the powers of the Board during the initial period of operation of the Association.

Section 4. Limitation of Liability. The Board shall not be liable for any failure of any utility or other service to be obtained and paid for by the Board, or for injury or damage to a Person or property caused by the elements, or by another Owner or Person; or resulting from electricity, gas, water, rain, dust or sand which may lead or flow from pipes, drains, conduits, appliances, or equipment, or from articles used or stored by Owners on the Property or in Dwelling Units. This Section shall not be interpreted to impose any form of liability by implication, and shall extend to and apply also for the protection of the Declarant exercising the powers of the Board during the initial period of operation of the Association and the Property.

Section 5. Indemnification of Board Members. Each member of the Board shall be indemnified by the Association and the Owners against all expenses (including attorneys' fees and costs), judgments, liabilities, fines and amounts paid in settlement, or actually and reasonably incurred, in connection with any action, suit or proceeding, whether civil, criminal, administrative or investigative instituted by or against the Association or against the Board member and incurred by reason of the fact that he or she is or was a Board member, if such Board member acted in good faith and in a manner such Board member believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that such Board member's conduct was unlawful. Section 2. Architectural Control. No exterior Improvement, including, without limitation, Dwelling Unit, building, deck, patio, fence, landscaping, permanent exterior affixed decoration, exterior lighting or heating, cooling and other utility systems shall be altered, erected, or placed on the Property unless and until the building, plot or other plan has been reviewed in advance by the Architectural Committee and same has been approved in writing, and an appropriate building permit has been acquired, if required by law. The review and approval may include, without limitation, topography, finish, ground elevations, landscaping, lighting, drainage, color, material, design, conformity to other residences in the area, and architectural symmetry. Approval of the architectural design shall apply only to the exterior appearance of said Improvements. Section 3. Review of Proposed Improvements. The Architectural Committee shall consider and act upon any and all proposals or plans and specifications submitted for its approval pursuant to this Declaration, and perform such other duties from time to time as may be assigned to it by the Board and/or Declarant, including the inspection of construction in progress. The Architectural Committee may condition its approval of proposals upon the agreement of the Owner to an additional Assessment for the cost of maintenance of any Improvement. The Architectural Committee may require submission of additional plans or review by a professional architect. The Architectural Committee may issue architectural guidelines and/or guidelines setting forth procedures for the submission of plans for approval. The Architectural Committee may require such detail in plans and specifications submitted for its review as it deems proper, including, without limitation, floor plans, site plans, drainage plans, elevations, drawings and description of samples

Decisions of the Architectural Committee and the reasons therefor shall be transmitted by the Architectural Committee, in writing, to the applicant at the address set forth in the application for approval within thirty (30) days after its receipt of all materials, fees and/or deposits required by the Architectural Committee. If the Architectural Committee has not accepted (either conditionally or otherwise) or rejected an Owner's application within this thirty (30) day period, such application shall be deemed approved.

**Section 4. Inspection of Approved Improvements.** Inspection of work and correction of defects therein shall proceed as follows:

(a) Upon completion of any work for which approved plans are required under this Article, the Owner shall give written notice of completion to the Architectural Committee.

(b) Within sixty (60) days thereafter, the Architectural Committee, or its duly authorized representative, may inspect such Improvement. If the Architectural Committee finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner and the Board in writing of such noncompliance within such sixty (60) day period, specifying the particulars of noncompliance, and shall require the Owner to remedy the same.

(c) If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such noncompliance, the Board may, at its option, sue to enforce compliance with the approved plans, correct such noncompliance itself, fine such Owner in an amount reasonably determined by the Board, and/or take such other actions as are appropriate, including the levy of a Limited Assessment against such Owner for reimbursement associated with correcting such noncompliance.

**Section 5. Review of Unauthorized Improvements.** The Architectural Committee may identify for review, Improvements which were not submitted to the approval process as follows:

(a) The Architectural Committee or its duly authorized representative may inspect such unauthorized Improvement.

(b) If the Architectural Committee finds that the work is in noncompliance with this Declaration and/or its standards or guidelines, it shall notify the Owner and the Board in writing of such noncompliance and its request to remedy such noncompliance.

(c) If the Owner has not remedied such noncompliance within a period of not more than thirty (30) days from his or her receipt of the noncompliance notice, then the Board may, at its option, sue to enforce compliance with this Article, correct such noncompliance itself, fine such Owner in an amount reasonably determined by the Board, and/or take such other actions as are appropriate, including the levy of a Limited Assessment against such Owner for reimbursement associated with correcting such noncompliance.
